Talk to our sales team about how to maximize your profits with Compact Construction Equipment from HOLT CAT

“C” for yourself why Caterpillar® Compact Construction Equipment from HOLT CAT has become the preferred brand for commercial landscaping equipment. The same durable design and innovative engineering found in Caterpillar’s largest loaders and dozers are also built into the smallest CAT® machine sized for tighter job sites. Our line of commercial landscaping equipment includes Skid Steer Loaders, rubber-tracked Multi-Terrain Loaders, Mini Hydraulic Excavators and Compact Wheel Loaders, plus a large selection of work tool attachments for any job application.
